Masters Club

The "Masters Club" was created by enthusiastic members along with the head coach in order to improve their climbing skills and encourage each other in an informal training session. Monday and Wednesday nights from 8-10pm have become an extremely fun and intense time to climb at Twisters Rock Climbing Gym.

Most of the club members are also climbing in the ABS season of USAC. Twisters Adult Rock Climbing Team is ranked #1 on the west coast, bringing 1st place prizes home in every adult category!

In addition "Masters Club" members are given discounts on outdoor trips led by the Twisters Head Coach. Some trips are primarily for fun, but on occasion there are anchoring classes, top-rope set up classes, trad climbing clinics and much more!

After completing a few prerequisite classes, members are able to join the "Masters Club" for just \$10 on top of their regular membership fee. Begin today, and soon you will be a part of the most successful adult rock climbing program in the country!
